Ref: AO/UG/Deregistration/JANUARY 2023   25-01-2023

CIRCULAR

Sub: Deregistration / Elective change / Late registration circular – January 2023 – Reg.

The UG (B.Tech and B.Arch, except 1st year) students who need to **change or drop electives (PE / OE / MI / Honours)** may do so on **30.01.2023** and **31.01.2023**, following the regular registration procedure in MIS.

Students should note that drop / change of electives **will not be permitted after 31.01.2023**. This is also the last date for **late course registration with fine** (**Rs 250**). Beyond this date no registration or deregistration will be allowed. Students will then have to **do the course in subsequent semesters** (if not registered) or **continue completing the course** (if not deregistered). No requests will be entertained to delete from transcript and records if the student does not attend the course and ends up with an X or V.
