TEQIP-II/NITT/173/NCB/CF/11/2016

16th August 2016

MINUTES OF THE PREBID CONFERENCE PERTAINING TO THE NATIONAL COMPETITIVE BIDDING (NCB) FOR THE SUPPLY OF “LECTURE CAPTURE SOFTWARE, HARDWARE AND ACCESSORIES” HELD ON 16th AUGUST 2016 AT 10.00 HOURS AT A13 HALL, NITT

The TLC Convener extended a warm welcome to all the vendors and gave an overview of the NCB document and highlighted the important clauses. It was also clearly informed that all the clauses in the NCB document are important.

- A) The bidders are informed that the purchaser is exempted from paying the Customs and Central Excise Duty under Govt. of India Notification No. 51/96 for customs and 10/97 for Excise Duty. The bidders quote should deliver the equipment at National Institute of Technology, Tiruchirappalli-620015. NITT would only provide copies of the duty exemption certificate and R&D Certificate, in time, to the successful Bidder.
- B) The bidders were informed that the Price should be quoted only in Indian Rupees and if the Price is quoted in any other foreign currency, such a bid would be summarily rejected as non responsive. Bidders were clearly informed that there will be no Letter of Credit (LC)

There after the vendors were invited to seek any clarifications / and or offer suggestions pertaining to the various clauses of the said NCB document and the Specifications.

After an extensive and detailed discussion, it was agreed upon to make the following amendments in the said NCB document and it now reads as follows.

Tender Notification No.: **TEQIP-II/NITT/173/NCB/CF/11/2016 - Lecture Capture Software, Hardware and Accessories**

Amendments in the tender conditions and specifications as a consequence of the prebid meeting held on 16.08.2016 (Please note that only the modifications are given here. The other conditions remain the same).

Points clarified during the pre-bid meeting:

Demo for the proof of concept :

Demo/Proof of concept of the product to be quoted should be arranged at NIT, Trichy before the submission of the quote preferably between 22nd – 24th August after fixing up appointment

The BOM used for the DEMO/POC should be the same as that for which the quotation would be submitted in sealed cover letter.

The details of the make and model no. of the product used for DEMO/POC should be submitted after the completion of the POC. This would be used for verification after the bid is submitted

On site Engineer

In order to install and to maintain the hardware as well as software and to provide training to the users, bidder should deploy an onsite engineer at NIT, Trichy for a period of 1 year. The salary for this engineer should be included in the cost of this module.

Warranty : 12 months from date of acceptance of Goods

Additional Modules required

HDMI Distribution Amplifier with one input two outputs (10 numbers required; one for each room)

HDMI Deembedder for separating the voice & video (10 numbers required; one for each room)

Change of Address:(Refer Page No: 13)

The inner & outer envelopes shall be addressed to:

The TEQIP Coordinator instead of **The Director**
