

## **NIT Tiruchirappalli Donated 3D printed face shields to Police Department**

Dear Sir/Madam

NIT Tiruchirappalli extends its support to Police Department by providing face shields to protect against COVID-19 infections. The Director, NIT Tiruchirappalli, Dr. Mini Shaji Thomas handed over the re-usable 3D printed face shields to Mr. Y. Sureshkumar, DSP, Thiruverumbur, Trichy and explained the importance of wearing it in addition to the face mask. She pointed out that NIT Tiruchirappalli is working on other COVID-19 related products too and will be launched soon. DSP, Thiruverumbur thanked the Director, NITT for the efforts and being a neighbouring institute he is keen to get technology support for effective functioning of Police personnel. Earlier, NITT donated face shields to MGMGH, Tiruchirappalli and subsequently to Sidda wing of GH. Dr. S. Kamaraj, District Sidda medical officer, GH received the face shields.
